

Auld Lang Syne

Should [C] auld acquaintance [G] be forgot

And [C] never brought to [F] mind?

Should [C] auld acquaintance [G] be forgot

And [F] days of auld lang [C] syne?

Chorus:

For [C] auld lang [G] syne, my dear,

For [C] auld lang [F] syne,

We'll [C] take a cup of [G] kindness yet,

For [F] auld lang [C] syne.
