Any time you're feeling lonely, any time you're feeling blue,
Anytime your world is lonely, And you'll find true friends are few.

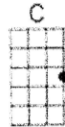

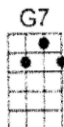

Any time you feel downhearted, that will prove your love for me is true.
Anytime you see a rainbow, you that will be a sign the storm is through.

Any time you're thinking 'bout me, that's the time I'll be think- in' of you
Any time will be the right time. Any time at all will do.
Any time you're thinking' 'bout me. That's the time I'll think of you

So any time you say you want me back again
Anytime you're sure you want only my love
-- Any time you say you want me back again.

That's the time I'll come back home to you.
That's the time I'll come back home to you.
That's the time I'll come back home to you.
